MANAGE YOUR TIME
Waiting until the last minute = the worst idea!

IF YOU Didn’T DOCUMENT IT, IT DIDN’T HAPPEN
Record everything you do with clubs, volunteer organizations, classes and church activities. Include your role and time spent. Then you can organize your records to include the information in your application.

from our judges...

INVEST YOUR TIME
Proofread your essays and make sure your grammar and sentence structure are correct.

ASK your teacher, counselor, parent or peer to help proofread your work.

WRITE out the names of organizations you’re involved in instead of using the acronyms. For example, “Health Occupations Students of America” has more meaning than “HOSA.”

SHOW your true self in your answers. We want to know about you and why you are a good investment.

If you have questions, ASK!
