EXHIBITOR SCHOLARSHIP

In 2019, the Houston Livestock Show and Rodeo™ (the “Show”) will award 30 four-year, $20,000 Exhibitor Scholarship to outstanding exhibitors in one of the 16 eligible Houston Livestock Show and Rodeo Shows. Students must exhibit in the 2019 Show to be eligible.

The Houston Livestock Show and Rodeo's educational programs are a significant part of the Show's goals of benefiting youth, supporting education, and facilitating better agricultural practices through exhibitions and presentation. All recipients of Show scholarships must demonstrate academic potential, citizenship/leadership and financial need, and they must attend a Texas college or university.

ELIGIBILITY REQUIREMENTS

To be eligible to apply for, or to be awarded, the Exhibitor Scholarship, an applicant must:

1. Be a citizen of the United States. If the applicant’s transcript reflects a place of birth other than the United States, appropriate proof of citizenship must be furnished (i.e., a copy of the photo page of a valid U. S. passport, a copy of Naturalization Certificate or a birth certificate for U. S. Citizen Born Abroad). Applications submitted without proof of citizenship will not be considered. Students with permanent resident status are not eligible to apply.

2. Be a Texas resident.

3. Participate as an exhibitor in one of the 16 eligible shows in 2019.

5. Score at least a 950 on SAT or a 19 on ACT. A copy of official documentation of SAT/ACT scores must be submitted with the application. This may be a copy of the form sent by SAT/ACT, a print-out of scores, or a high school transcript listing scores. SAT score must be comprised of total points from the critical reading and mathematics sections of the test. Highest scores from each of these sections may be combined from different test dates to calculate total score. No updated test scores or academic scores or rankings will be accepted after the application due date.

6. Have made formal application to enroll with intent to attend an accredited, not-for-profit Texas college or university and participate in a curriculum leading to a bachelor’s degree. Strictly online colleges and universities, even if they are not-for-profit, are not permitted.
