3 NRG Park, Houston, TX 77054

Wear a facemask the entire time you are on NRG Park grounds.

Enter NRG Park through Gate 10 at McNee Street (entrance from Kirby Drive). The guard will check your credential or ID, take your temperature with a touchless thermometer and ask a series of health screening questions before allowing access.

Once in, please drive to the Wine Warehouse, which is located in the Buildings and Grounds warehouse behind NRG Center as indicated on the map.
