

Kids' Meal Program for Food Exhibitors

The Kids' Meal Program has become a proven success with our kids' groups, and we'd like to include your business in the program! If you are interested in participating, please complete the information below, and either fax it or scan and email it to us. We will distribute this to local school groups and other children's tour groups to promote increased daytime sales for your food booth. Don't miss out on this free marketing opportunity!

Please note: You will have until January 15, 2019, to make menu and pricing adjustments before the flyer goes to print. Also, it is your responsibility to ensure that your kids' meal offerings are also part of your approved menu in your contract online.
