2020 RANCHING & WILDLIFE AUCTION
Dear friends of Ranching & Wildlife,

Thank you all for attending the 12th Annual Ranching & Wildlife Committee’s luncheon and auction. First, I must say how fortunate I am to be involved with so many generous and caring people, as I enter my last year as Chairman of this vibrant and exciting committee.

The foundation of our committee is our volunteers, who selflessly give their time to our youth competitors in four competitions. It is truly a blessing to watch our youth competitors’ love of the outdoors blossom and grow through their participation in our events. We are able to offer such great awards and prizes to our youth competitors, and connect them with the great outdoors, thanks to supporters like you.

The Ranching & Wildlife Committee has had a very successful year, we will interact with over 1,200 Texas 4H and FFA members from ages 9 to 17 and their families at our outdoor related events. The committee is most proud of the fact we are on target to award these young Texans with cash and prizes in the amount of over $150,000 that the Ranching & Wildlife Committee members raise directly from generous supporters of the great outdoors, like yourselves. I personally am most proud of the fact that this year we will award over 15 Texas Parks & Wildlife, Lifetime Super Combo licenses to the champions of our contests, and hope to foster a passion in the great outdoors through conservation of our great state’s precious natural resources. I know that the Committee members share my excitement in this great achievement.

As you can see, we have been hard at work striving to achieve the Ranching & Wildlife Committee’s core goals: to educate Texans, especially the youth of Texas, on all that the outdoors in the great State of Texas has to offer, and how to leave this world better than we found it! We appreciate you being here and hope that you enjoy your time here with us today.

On behalf of the Ranching & Wildlife Committee family and our Officer in Charge, Mr. Duncan K. Underwood, we want to again welcome you to our event and to thank you in advance for your generous support of the youth of Texas.

LIFE IS BETTER OUTDOORS!

Respectfully yours,

Jamie Spring
Chairman, Ranching & Wildlife Committee
