CALL TO ENTRY

The **Houston Livestock Show and Rodeo™** invites you to participate in our 21st annual Rodeo Uncorked! International Wine Competition.

As one of the largest International Wine Competitions in America, our Competition is judged by local and national experts with extensive wine credentials. Judging is a double-blind procedure and audited on site by PricewaterhouseCoopers, ensuring the highest integrity.

For 2024, the featured region will be Chile. Wines from this area will be eligible for additional awards.

Thanks to the participation of over 1,000 brands worldwide, we had 3,071 entries in 2023! Over the last 21 years, the Rodeo Uncorked! International Wine Competition has continued to grow and be recognized as a premier wine contest, while supporting one of the state's strongest charities.

The Houston Livestock Show and Rodeo promotes agriculture by hosting an annual, family-friendly experience that educates and entertains the public, supports Texas youth, showcases Western heritage and provides year-round educational support within the community. Since its beginning in 1932, the Rodeo has committed more than \$575 million to the youth of Texas and education.
