An exhibitor who violates any of the following rules will forfeit all privileges and premiums.

Special rules or conditions are published in each department where necessary; if there is a conflict between the special rules of any department and the general rules and regulations, the special rules will govern. JUNIOR SHOW RULES AND REGULATIONS

Preamble:

The Houston Livestock Show and Rodeo (the "Show") is organized for charitable, educational and scientific purposes. In accordance with the Bylaws of the Show, a livestock exposition shall be held once each year to encourage the improvement of the breeding and raising of cattle, swine, sheep, goats, horses, mules, poultry and other livestock and farm products for the benefit of the public. The Bylaws also state that the Show may promote and maintain educational functions. In keeping with these same Bylaws, the purpose of the Junior Livestock Division of the Houston Livestock Show shall be to encourage and promote the educational aspects of livestock projects conducted only by junior exhibitors under the proper supervision and direction of either an Agricultural Science Teacher (AST) or a County Extension Agent (CEA).

The Houston Livestock Show and Rodeo recognizes that the Texas A&M AgriLife Extension Service, through its 4-H Clubs, and the TX Education Agency, through the FFA Chapters, provide a valuable service to the public in educating TX school students in the principles of successful raising and breeding of livestock. In order to encourage participation in the 4-H Clubs and FFA Chapters throughout the state, the Houston Livestock Show and Rodeo includes as a part of its annual livestock exhibition the Junior Livestock Division which is a special exhibition for TX 4-H Club and FFA members. The purpose of the Junior Livestock Division is to encourage participation in livestock projects conducted under the authority and supervision of all Agricultural Science Teachers (ASTs) or County Extension Agents (CEAs).

The Houston Livestock Show and Rodeo allows CEAs and ASTs in charge of 4-H Club or FFA Chapter livestock programs the opportunity to enter members which they believe have demonstrated exceptional interest and ability in the raising, caring and breeding of livestock, subject to these Special Rules. These Rules, however, are only prescribed as minimum requirements for participation in the Show, and are not intended to in any way limit the right of any CEA or AST, or the Texas A&M AgriLife Extension or TX Education Agency, to impose additional requirements as they may deem necessary regarding participation in the Junior Livestock Division.

The opportunity to enter 4-H Club and FFA Chapter members' projects in the Junior Livestock Division is only available to CEAs and ASTs supervising these livestock projects. In no event are these rules to be construed as making any offer or opportunity available to any 4-H Club or FFA Chapter member. In no event shall any CEA or AST be considered to be an agent of the Houston Livestock Show and Rodeo for any purpose. This preamble shall be considered to be a part of these Special Rules for the Junior Livestock Division, and all rules are to be interpreted in accordance with the purposes herein described.
