1	Fantastic! Awesome attention to detail.	8/28/2023 2:46 PM
2	The seminar was very informative, interesting and fun!	8/28/2023 12:24 PM
3	I believe we continue to add resources to current leadership which can then transfer to upcoming leadership. This only makes for a better atmosphere	8/28/2023 7:01 AM
4	Out of 4 years, this was the best one, yet. I love that we divided up and moved to different areas and topics.	8/24/2023 12:26 PM
5	I must have missed the budget training because I'm still not crystal clear on that. I was selected as Chairman and then two days later I was in my budget meeting. That was my first, drinking from a firehose, moment	8/24/2023 8:50 AM
6	I feel very welcomed with this new role and there are many partners who want us to be successful.	8/23/2023 5:27 PM
7	The Seminar was wonderful. I love the Cohort Meetings and I really enjoyed the different sessions. It was boring and the information was very useful	8/23/2023 4:42 PM
8	Good content - appropriate agenda times	8/23/2023 1:01 PM
9	I love the hybrid format	8/23/2023 12:40 PM
10	All beneficial.	8/23/2023 12:28 PM
11	I believe this year was way better than last year! I enjoyed not being at the same table all day and having a few more breaks. I think the speakers my first year (2021-2022) were amazing, but I think the training sessions we had yesterday are more valuable especially to 1st year chairs. Special shoutout to Mel Reeves and her team, the whole program was amazing. I also think the conflict resolution component is something that could be done year after year as a reminder to returning Chairs. After all, we don't want to hire to fire.	8/23/2023 11:26 AM
12	Appreciate the mixed learning material (in person, zoom, etc)	8/23/2023 11:05 AM

1	I had a conflict with the date and my work schedule. The staff coordinator and my OIC met on another date to review/discuss.	8/31/2023 9:59 AM
2	This is an area where in my opinion we fell short in the past the more staff coordinators review this with chairman the better its understood. I also believe chairman should share this with the next line of leadership and how committe dues are spent with the committeemen	8/28/2023 7:01 AM
3	I do not deal with budgets	8/26/2023 10:12 AM
4	In my role I have no decision in the budget training.	8/24/2023 10:53 AM
5	Again, I don't remember having a budget training	8/24/2023 8:50 AM
6	I previously had a budget review with my coordinator so this training was a duplicate	8/24/2023 8:47 AM
7	I was not able to attend the budget training.	8/23/2023 5:45 PM
8	I was fortunate, I had 2 former chairman that included me in budget meetings prior to being named chairman. That was very beneficial -especially with learning about components of different cost centers.	8/23/2023 5:27 PM
9	It helps to have the budget meetings in person with your coordinator. We knocked it out that day.	8/23/2023 2:07 PM
10	Based on CC management, I was told we shouldn't attend as we have no say in this	8/23/2023 1:47 PM
11	Makes sense - has helped with more understanding	8/23/2023 1:01 PM
12	I think Katie and her team did a better job explaining the budget and the different rules/requirements. I do wish we could have sat down with someone who could sort out the issues with our budget. Ours was very wrong after the switch from Oracle. I did do a write up on what was wrong and submitted to my coordinator to get sent to accounting but knowing that the carryover was correct would have been nice.	8/23/2023 11:26 AM

1	Meeting face to face with a small cohort group is a great way to learn and share the experience of other chairmen. Our two OIC's are great with sharing valuable experiences from the show.	8/31/2023 9:59 AM
2	Small group allows for detailed discussions and best practices.	8/28/2023 2:46 PM
3	This has been very enjoyable and allows that setting where chairman feel comfortable asking questions and creates additional relationships between chairman that they may never have had. This is a large organization	8/28/2023 7:01 AM

16	I love the Cohort meetings. It is a great way to learn how others tackle issues or just manage. I think it allows people to review their policies and procedures and make beneficial changes. Plus, it was so helpful as a first time chair to have a group of mentors who could help me when things looked daunting.	8/23/2023 11:26 AM
17	The only think I think you could change her is put committees that share traits together. Committees over 750 folks should be together to collaborate	8/23/2023 11:01 AM

2	Good information came from the presentation. Some of the presentations applied to me and others did not.	8/24/2023 10:53 AM

1	The day was meticulously organized and the breakout sessions was a nice addition with some great topics. However, I felt a void in terms of discussions and insights due to the absence of the OIC assigned to our table and our committee's OIC in the breakout room.	8/31/2023 9:59 AM
2	Thank you very much! It is clear that a ton of thought and planning went into this day and training. This provides new chairman and existing with the confidence to be successful.	8/28/2023 2:46 PM
3	Outstanding performance	8/28/2023 7:01 AM
4	Breakout sessions worked really well compared to having us sit in the same room all day long. Made the day go quicker and stayed a lot more focused throughout the day.	8/25/2023 10:40 AM
5	This was a great event, with great information. Continue to keep the breaks long enough for people to visit and share with other committees. I cannot rave enough about Chris Boleman's Keynote address at the end. It was in the top of the best I have ever seen.	8/24/2023 2:30 PM
6	Well done.	8/24/2023 12:26 PM
7	Keep sharing ideas. We can always learn something from these conference events. It makes it easier to have these on the same day as the membership meeting. Thank you for continuing to have these. Everyone did an excellent job speaking and keeping us entertained while learning.	8/24/2023 10:53 AM
8	Y'all are doing a great job setting us up for success. Thank you for the support and guidance.	8/24/2023 8:50 AM
9	Additional time to be given for questions during the training sessions.	8/23/2023 7:04 PM
10	I liked the breakout session format this year as it gave us a chance to move around and not have to be in the same room all day. Great job to everyone who helped put on the seminar!	8/23/2023 5:45 PM
11	I'm fortunate to have been mentored and encouraged along the way to move up to leadership. Perhaps adding a breakout in the future about the importance of chairman paying it forward by mentoring as well. This is a different skill set than putting together a succession plan.	8/23/2023 5:27 PM
12	Mel was fantastic, she should do her presentation every year.	8/23/2023 3:37 PM
13	I really liked the focus on creating new friendships. However, people still sat with their friends, so some were harder to get to know. In the future, perhaps try some sort of forced mingling event so we can get you know even more people. Thank you so much for having this event. I can't tell you how helpful it is on so many levels.	8/23/2023 2:07 PM
14	Those of us that were able to attend the LDP are ahead of many as far as the big picture and how to get there. Hopefully many more can use the class as a valuable tool.	8/23/2023 1:47 PM
15	Monday is an easier day to take off from work - and I would vote for that	8/23/2023 1:01 PM
16	Jon and Mel's presentation were great -- the other 2 not so much. I think breaking into 1st, 2nd, and 3rd year would be helpful in some sessions since we have different needs / questions. The lack of officers was noticeable - this should be a required event for all of them.	8/23/2023 12:40 PM
17	I was extremely satisfied with the whole day as a first year chairman. The opportunity to meet new people, share ideas, and hear from key people in the organization was invaluable to me. I learned a lot. Thank you.	8/23/2023 12:28 PM
18	The succession plan breakout needs some work. It was very rushed as I believe she tried to cover too much material with lots of interaction in too short of a time slot.	8/23/2023 11:44 AM
19	Nothing - Mel and her team did a fantastic job!!	8/23/2023 11:26 AM
20	I think communications and succession planning are redundant as we are already discussing	8/23/2023 11:08 AM

2024 Chairman's Seminar Survey - Chairman and Officer Version

these in cohort sessions then duplicating at seminar. Would like to see the Chairman get training on how to establish the right goals and objectives so that the committee effort is aligned with the strategy and mission of the show.

21	Would love to see more historical data when looking at Survey results to understand trends- thank you for all your effort in coordinating the events!	8/23/2023 11:05 AM
22	Please always keep member ship and chairmans survey same day	8/23/2023 11:01 AM
23	Breakout sessions were really good. Think the succession planning would be really good break out session with OIC and coordinator to discuss candidates and strategize. Maybe only for 2nd and 3rd year and 1st years get the general session.	8/23/2023 11:01 AM
