3. Incorrect source documentation. Be thorough in your descriptions and complete detail below for each source used.
4. Artwork that is not COMPLETELY dry (don't forget edges).
5. Charcoal, pastels and/or lead pencil drawings that are not fixed and can be smeared.
6. No signatures or identifying student information on artwork and sources, including the back, or documents submitted for judging.
7. Affix artwork number to all documents, including sources, submitted for judging.
8. If original sketch is selected as a source for 2D or 3D artwork, sketches must be included. The final artwork is not considered an original sketch.
