

2025 Horticulture Texas Tables Theme

"Mardi Gras Masquerade"

Exhibitors will create a floral arrangement for a check in table at a masquerade ball with a Mardi Gras theme. **Entry containers must not exceed a width of 18"** and should be designed to be viewed from all side.

Accessories may be used in the floral arrangement; however, emphasis should be on the creative use of natural, fresh cut materials to represent the theme rather than accessories to create a theme.

Let's Rodeo!
