

2026 School Tour & Field Trip Program

Exhibit List & Descriptions

Birthing Center

Experience the miracle of life right before your eyes in the Birthing Center! Stop by to visit the newborns, watch as they take their first steps, see how their mothers nurture them, and witness how they react to the world.

Breed Row Barn

Breed Row Barn showcases different breeds of swine, cattle, sheep, and goats, with the opportunity to get a close-up view of all the animals!

Milking Parlor

At the Milking Parlor, visitors have the chance to see how a cow is milked and the process used to make milk available in a local grocery store.

Petting Zoo

The Petting Zoo includes nearly every animal you can think of - from the most exotic to the typical farm animal. Grab a handful of tasty treats and see which animals are hungry. Hand sanitizing stations are located just outside the petting zoo. There is a petting zoo located in AGVENTURE, presented by Oxy and outside in The Junction.

Pony Rides

Pony rides are perfect for each little cowboy and cowgirl. Beautiful Welsh ponies walk carousel style for their young riders. Each ride is \$10 per child. You can purchase a 4x6 photo for an additional \$10 and a 5x7 photo for \$12.

Poultry Exhibit

The poultry exhibit includes everything - from chickens, to chicks, and live incubating eggs. Come see one hatch!

Rabbit Exhibit

Feel the soft fur of one of the many breeds of rabbits showcased in the rabbit display

AGVENTURE Park

Learn about the importance of soil composition, observe busy bees at work, and plant a sunflower seed, take it home, and watch it grow!

We're Small Y'all Barn

Learn about the miniature breeds of livestock when you meet our pint-sized playmates.

Let's Rodeo!

HOUSTON LIVESTOCK SHOW AND RODEO™

Born to Buck®, presented by Oxy

Come see some of the beautiful equine athletes and babies featured in the mares and foals' stadium presentation and learn about these majestic animals.

Fun on the Farm

Fun on the Farm allows children to explore the world of agriculture - from planning to market. Children can help with the "chores" such as gathering eggs, planting, harvesting crops, and milking a cow. Don't miss out on the fun!

The Junction Carnival

At the carnival, there is a special area dedicated to the children - The Junction Carnival. Fun games that award winners with prizes are around every bend. Bring your little cowpoke out to enjoy all the rides and games at The Junction Carnival. The carnival is operated by Ray Cammack Shows, a family business that started in 1956. RCS offers more than 70 of the safest, most exciting rides available, numerous specialty food booths and more than 50 game booths that award more than one million prizes annually.

Mutton Bustin' presented by HEB®

Mutton Bustin' can also be found in The Junction! Watch as participants hold on tight to see how far they can make it or come and see how long they can ride! The cost to ride is \$20 but it is free to watch!

Pig Races, sponsored by Jack in the Box

Not every participant at HLSR is competing for financial rewards. With the pig races, the prize for a job well done is a cookie or a piece of candy. These contestants, a group of perk piglets, wait patiently at the starting gate. After the gate is opened, the piglets shoot forward in front of a cheering, standing room only crowd. The pigs race around a 150-foot track in only a few seconds, all dashing for sweets waiting at the finish line. This fun, exciting attraction is one to see!

Charro on the Road, sponsored by La Michoacana Meat Market

Combining the Mexican equestrian tradition of Charrería with modern performance, you won't believe the elite horsemanship and rope artistry you'll see at Charro on the Road!

The Junction Stage, presented by Woodside Energy

Take a break by the outdoor stage for daily entertainment, including sing-alongs, magicians, and other talents. Stage acts begin at 11 a.m.

Let's Rodeo!
