Original Design Sketch

Sketch the original design idea, labeling the plant materials used. Exhibitors in the Texas Tables competition must attach a minimum of four (4) photographs taken during the construction of the entry.

A large, empty rectangular area defined by a thick, dark blue dashed line. This area is intended for the exhibitor to draw their original design sketch, including labels for plant materials used.

Itemized Cost List

Identify each material used and its individual purchase price. Include the retail price of the finished arrangement, calculated based on standard retail pricing practices.
