Love's Plumbing Company
14365 Hillside Ln., Willis, TX 77318
Phone: 281-203-7543 (Stephanie)

The Houston Livestock Show and Rodeo™ (HLSR) will be providing one (1) hookup for one (1) propane-gas bottle. Additional hookups will be done on a time and material basis at the rate of $75/hour.

All payments must be received before any work can proceed. The work must be done by certified, licensed propane personnel. All propane personnel must show proof of license. After all hookups are completed, they will be tested by an HLSR plumber.

The HLSR plumber will need access at all times into each team space using propane. NO EXCEPTIONS! All equipment must be tested before the HLSR plumber can hook up any propane gas.

Under NO circumstances will team owners or team members disconnect or reconnect a propane bottle. If the tag breaks, the team owner assumes liability for any damage.

The HLSR plumber will need to know no later than **February 1, 2027,** how many 100-lb. and 20-lb. tanks are needed for each team space. Each team will be limited to two (2) 100-lb. cylinders, connected via manifold, or one (1) 20-lb. cylinder for starting wood fires.

Propane refills will be available throughout the WCBBQ Contest, from Thursday through Saturday. Refill orders must be called in the day before, or two (2) hours before the gates open. Refills are $4.10 per gallon.

Team Name and Team Space Number: _____

Team Owner and/or Chief Cook: _____

Cell Phone(s) for above contact(s): _____

Address for Deposit Return: _____

Payment Information (circle one): MasterCard Visa Check Cash

Credit card number: _____ Exp. Date: _____

100 lb. quantity needed: _____ ($200, plus $100 deposit)

20 lb. quantity needed: _____ ($55, plus $50 deposit)

During the WCBBQ Contest, we will have propane exchanges at the following prices:

- 100-lb. exchanges: 25 gallons @ $4.10 /gallon = $102.50 (Prices per gallon subject to change.)
- 20-lb. exchanges: 5 gallons @ $4.10/gallon = $20.50 (Prices per gallon subject to change.)

After all bottles are empty, the team owner will contact the HLSR plumber, who will change out the bottle and perform an inspection.

Again, all payments MUST be received before bottles can be delivered. All payments must be made by MasterCard, Visa, check, or cash. Please note: Gas prices may change due to market fluctuation.

Please contact Love's Plumbing Company Inc. to order your tanks by phone or e-mail.
